

NATIONAL TEACHERS' INSTITUTE, KADUNA

Examinations Department

Memo

To: All Zonal and State Coordinators
From: Director Examinations
Subject: **Rescheduled Date for First Semester 2021 Examinations**
Date: 30th September, 2021

You may wish to recall that the First Semester 2021 Examinations for all programmes were earlier scheduled to commence from 28th August, 2021. However, due to certain circumstances, the exercise couldn't hold.

I write to re-forward to you the amended Time Tables for the Examinations. It will now commence from Friday, 22nd October, 2021. You are therefore, expected to bring to the notice of all fresh and continuing students and the facilitators that:

1. Registration Portal will remain opened until a week to the Examination. All unregistered students must ensure that they register before 15th October, 2021. The policy of **NO REGISTRATION – NO EXAMINATION MUST** be enforced during the conduct of Examination. This is therefore, a great opportunity for those that are yet to register for the Semester.
2. Students must ensure thorough preparation for the Examination. Ensure thorough revision of the courses by the students.
3. Zonal and State Coordinators must ensure adequate arrangement in terms of Venue, furniture and other logistics for hitch-free conduct of the Examination.
4. Zonal and State Coordinators must also ensure maximum security of our security materials and the venue throughout the exercise.
5. You are also expected to go through the Time Table and forward your observations if any.

Wishing us a very successful conduct of the Examinations.

Thank you.

Dr. Bashir Mamman
Director, Examinations
